

Elsie van Rooyen

UI/UX & GRAPHIC DESIGNER

elsie@honeycodedesign.com 079 512 7720 Pretoria, South Africa

linkedin.com/in/elsie-van-rooyen-1b1473280

Early-career UI/UX designer with a graphic design and brand identity background. Comfortable running a project end to end: research, wireframes, visual design and a working build, across real client launches, self-initiated UX audits and a live personal product with real user flows. Prompts AI coding tools (Claude Code) to turn designs into real, shipped websites faster, without waiting on a separate dev handoff.

DESIGN & FREELANCE EXPERIENCE

Co-Founder Oct 2025 – Present
Honeycode Design Studio · Freelance

- Run a freelance design studio end to end: brand identity, social content, website design and UI/UX audits.
- Designed and built a full brand identity and website for Everlune Photography, a real client launch.
- Prompt Claude Code directly to ship production sites (this studio's own site included), cutting the usual design-to-dev handoff out of the process entirely.

Graphic Designer Feb 2026 – Present
Seven Seas Liquor · Freelance

Graphic Designer Oct 2024 – Oct 2025
Hennie's · Freelance

- Graphics and creative strategy for the brand.

Freelance Designer · PRO BONO ~Aug 2023 – Oct 2024
Corleon Property

- Designed a full website for a client with no prior online presence, from wireframes and prototypes through to a finished, cohesive site.
- Led client meetings to present concepts and gather feedback; built and maintained a small design system to keep the work consistent.

ADMINISTRATIVE & LEGAL EXPERIENCE

Portfolio Administrator Jan 2021 – Present
ANGOR Property Specialist

- Coordinate maintenance, insurance and compliance documentation across a property portfolio.
- Manage meeting logistics, owner correspondence and recordkeeping.

Legal Secretary Jul 2020 – Dec 2020
Cavanagh & Richard Attorneys

- Drafted legal documents, managed diary and file organisation, handled client-facing reception duties.

Legal Secretary Apr 2018 – Jul 2020
Ivan Maintin Attorneys

- Supported litigation on Third-Party Claims and RAF cases: diary management, court filings and document drafting.
